Erotic Domination

Synopsis

China Hamilton describes his photographs which fill the pages of *Erotic Domination*: "The models and I attempted to produce work that would appeal to a wide audience. These women are proud of their sexuality, of their bodies they delight in knowing that these intimate portraits will be enjoyed by voyeur and connoisseur alike. I have also included a number of portraits of significant Mistresses a historic gallery of Dominatrixes, each skillfully enacting the fantasy pleasures of the naughty school boy or the submissive maid."

As the cover suggests, this new work from English photographer China Hamilton is a compilation of dark, fetishistic erotica. It's filled with images of submission, domination, and sexual exploration. But it's more than just another smorgasbord of Sado-Masochistic art photography - there is real beauty here. Interspersed along with nude dominatrixes and willing victims posturing to get their asses spanked, are some of the most amazing erotic nudes ever published by this master photographer. In Hamilton's hands, beautiful women spreading their legs are revealing more than just their sexual organs, they're declaring their sexual power in a way that is almost ... invitational. And it's enchanting. Hamilton notes in the preface that this may be his last book, and he seems to use that sense of finality to spur on his creative forces and those of collaborators (models whom he claims are personal friends ... and sometimes more). Throughout, his subjects pose scantily dressed in the uniform of dark boudoir (black stockings, panties, and rope) and are cloaked in the shadows of Hollywood noir. Most portray themselves in sexually enticing or submissive postures, seemingly in

submission to that of the photographer and/or viewer. Erotic Domination is an eclectic collection of erotic portraits, S&M fantasies, dildo penetration studies, and beautiful women tied-up and bound. The element of sexual pain, submission, and liberation permeates. This is not for the faint of heart but is sure to thrill fans of erotic art photography and especially those favoring S&M work.
