Captain Awesome Gets A Hole-in-One

Synopsis

Captain Awesome battles evil on the mini-golf course! Will the Sunnyview Superhero Squad be able to stop a cheater AND rescue a golf ball from a waterfall? Eugene, Charlie, and Sally are going mini-golfing! But there's a hitch. They're going mini-golfing for Meredith Mooney's (aka Little Miss Stinky Pinky's) birthday party. The Sunnyview Superhero Squad tries to make the best of the situation, but that situation turns sour when Meredith starts losing. Meredith does not like to lose—especially not to Eugene, who seems to be an awesome mini-golfer! Meredith's spirits pick up when she begins to win...and continues to win. But WAIT! Did Meredith just tap the ball into the hole with her foot when no one else was looking? Captain Awesome has discovered her secret and is about to reveal her, but first he must rescue a golf ball from a treacherous waterfall of doom! With easy-to-read language and illustrations on almost every page, the Captain Awesome chapter books are perfect for beginning readers!

Stan Kirby tied a beach towel around his neck and became Super Commander Beach Boy when he was six years old. When Stan's not creating the awesome adventures of Captain Awesome, he loves reading comic books, eating okra, and hang gliding (but not at the same

time). George O'Connell is the creator of the New York Times bestselling graphic novel series Olympians, in addition to serving as the illustrator of the Captain Awesome series. He is also the author and illustrator of the picture books Kapow!, Ker-splash, and If I Had a Triceratops. He resides in his secret Brooklyn, New York, hideout, where he uses his amazing artistic powers to strike fear in the hearts of bad guys everywhere!

Super Cute & FUN Series!

My 1st grader loves this series of books. He has nearly all of them and they never disappoint! I believe they have an AR reading level around 4, which is slightly above where my son is leveled at so he does have difficulty with some of the words. That hasn't discouraged him from reading them at all! When he gets a new book he doesn't put it down until he is done.

Great condition. Son loves the stories and finishes them in a day.

I bought this book for my grandson for his 8th birthday present. He loves it. Surely a great choice to encourage reading.

My grandson loved it. Wants to read more.

I bought these books originally for some reluctant readers in my classroom. It turned out to be a huge success and I ended up purchasing the entire series.

My five year old loves this series. He and his Dad read them every night before bed. We first chose the book about soccer but then purchased all of the others because he enjoys the characters so much.

My grandson loved it. Said it was best of the series. A "page turner"!
