Customer Reviews

Fun little book for my little Marvel fans. We like to read it at bedtime.

great!

Great book my soon loves it!

Adorable!

My 4 yr. old grandson has never seen this movie but he is totally into the marketing of these characters and he absolutely loved this book regardless of the fact there is no back story to introduce the characters. I thought it was age appropriately written and easy enough to read out

load, which is a good thing because he requests me to read this over and over.

My 3 & 5 year old have been grabbing this out of the library box so much that I'm going to have to purchase it!

I cannot get this to load on my iPhone or my iPad. So frustrating!!
