Ohio's Hill Country

Synopsis

Some people think of Ohio as flat, and in truth, the great American Prairie begins at Columbus. But the un-glaciated southern part of the state--the Hill Country--is a roller coaster of hills, villages, and towns. It is a crazy quilt of what is quintessentially American *down home* culture. Several fold-out maps enhance the interesting information about people, places, and history. For the traveler who wants to see the *real* land of Ohio, these thematic self-drive tours are designed just for you.
