Blumberg, MD Professor of Medicine, Harvard Medical School Chief, Division of Gastroenterology, Hepatology and Endoscopy Brigham and Women's Hospital Boston, MA Robert Burakoff, MD, MPH Associate Professor of Medicine Harvard Medical School Clinical Chief of Gastroenterology Division of Gastroenterology and Hepatology Brigham and Women's Hospital Boston, MA

great

Lots of information.

Great Book must have and Read

Bought it for my gastroenterology clerkship rotation and found it very useful! After studying with it I was able to answer questions meant for the residents!

I am somewhat disappointed. I find the text too simple and think more and more detailed figures could improve the book. Not to mention more photos.

Item delivered on time and looks new, a good reference material for GI practice

Not too much for me...I do need a little more though. The internet is not close to being as useful as having a collection of up-to-date text books.

hi there i want to thank you about the book its what i was looking forthanks and have a nice day
