Through Water, Ice & Fire: Schooner Nancy Of The War Of 1812

Synopsis

The schooner Nancy, legendary vessel of Great Lakes and Canadian history, lived a thousand lives in a noted career that began in Detroit and ended in a fiery explosion in Nottawasaga River in the last year of the War of 1812. This dramatic, soundly researched narrative depicts the reality of the men who sailed her while fighting a gritty war. Carrying the war to the enemy in hazardous ways, they fought against a powerful American foe, using stealth and daring to maintain the besieged Canadian position in the last armed struggle for the heartland of North America. The loss of the Nancy inspired generations to regard her as a symbol of devotion to king and country.

Book Information

Paperback: 344 pages

Publisher: Dundurn (March 4, 2006)

Language: English

ISBN-10: 1550025694

ISBN-13: 978-1550025699

Product Dimensions: 6 x 0.5 x 9 inches

Customer Reviews

"The strengths of this book lie in its thorough documentation and a familiarity, not only with the sources, but with the waters in which Nancy sailed." "Barry Gough has made another useful addition to the literature of the War of 1812." (W.A.B. Douglas International Journal of Maritime History) Through Water, Ice and Fire is a compelling story, a tale not just of an obscure ship rescued by the late Stan Rogers in a song, but of the War of 1812. If the war had been lost to the United States, we would all be Americans today. The Nancy represented one of the differences between victory and defeat. Forgotten for decades, the ship's bones became an innocent-looking island in the Nottawasaga. Until 1927, when she was unearthed by a vacationing Toronto dentist named F. J. Conboy. Today, the Nancy's hull rests in a glassed-in exhibit at Nancy Island Historic Site. Even if you have ever visited her, you can now read of the exploits of this historic schooner and her daring crew. Andrew Armitage, The Sun-Times, June 8th, 2006 "It's a fascinating story, and well-written."

(Alastair Wilson The Naval Review)

A dramatic examination of the legendary HMS Nancy, whose noted career ended in a fiery explosion in the War of 1812.
