Customer Reviews

The Junior League of Denver, Incorporated, founded in 1918, is an organization of women committed to promoting volunteerism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively education and charitable. The revenues received from fundraising efforts support the Junior League of Denver's purpose and community programs.

I purchased this as a gift. My aunt really enjoyed this cookbook.

Junior Leagues around the country are reputed to have the best cook books available. Colorado Collage more than lives up to this reputation. The book itself is lovely to look at- the photography is superb and professional. One look at the recipes and you make a direct path to the kitchen. I saw this cookbook at my daughter's sig. other's home, after I had tasted the most delicious chocolate chip muffins known to man. The recipes for Mexican food is what also sold me on this cookbook. Real Mexican food that has been taste tested by the leaguers and their families. You cannot go

wrong buying any Junior League cookbook, and I would grab this before they are all sold out.

Excellent book in great condition as stated.

LOVE this Junior League cookbook! Beautiful photos great instructions !

Recipes didn't really seem to personify Colorado or give any information as to where they came from. Paper printed on is of poor quality and many of the recipes are written poorly - hard to follow. Some good recipes/ideas though if you want a general cookbook.

I am a vegetarian.....my husband is not..he loves his meat. My friend who is an amazing cook bought this for us after having we had a wonderful dinner at their home which accommodated both my husband love for meat...and mine for vegetarian cuisine. This is definitely my "go to" cookbook and I have purchased it as gifts for friends and family. Light healthy , tasty foods with tons of savory flavor,

This is my favorite cookbook, my mom's favorite cookbook, my aunt's favorite cookbook, and my go-to wedding gift for my close friends. There has not yet been a dish I haven't loved. The cookbook suits a variety of kitchen skill levels and is the first place I look for dinner party inspiration. The strawberry cinnamon salad has become a staple at all family gatherings.

Have used this book for years and had to get a replacement!!
