"I was there with Noah and the Ark (The Adventure of Micey mouse book 1)" is a wonderful children's bedtime story by Lea Jacob. This is a cute, adorable, fun and interesting story with lovely cover page. I've read this book to my 6 year old daughter and she loved it. I would recommend to

other parents for their children and look forward to get next book in the series from Lea Jakob.

I downloaded this book for my son to keep him reminded of at least one story from the bible.

It's a fun way to teach our children about God. Usually kids get bored when they heard story from the bible and my son is one of those kids. With this book, my son get to learn the words of God at the same time having fun!

This wonderful tale is a fun way for children to experience the story of Noah's Ark. Mousey Mouse is a curious little mouse and it's through his tiny eyes we see this beautiful story unfold. As Christians we follow Christ, often times stepping out on faith alone. Mousey mouse relies on his faith as he follows God's plan. Mousey mouse learns no matter the storm, when you're one with God there's a rainbow waiting. Great story. I read this story with my six year old son and he enjoyed it immensely. It has become his new favorite bedtime story. I can't wait to see what is next from this talented children's author.
