Synopsis

FREE for Kindle Unlimited or just 0.99 to own. Frances Harman has spent a lifetime living out of suitcases, a staunch supporter of her Papa as he builds an empire as a hotelier. A quiet soul, happiest when out of sight, left alone to pursue her own interests and happiness, she has never felt the lack of companions or excitement in her life. Yet, since his remarriage, she has been forced into a new world, one of parties and balls, afternoon promenades and has found herself overshadowed by her beautiful stepsister Maria in every way. But in a moment of uncharacteristic bravado she responds to a matrimonial advertisement in the newspaper, the life of a debutante is not for her, but why should she not search out a life that might suit her better? Dr Marlon Carter has not been in Faith Creek long, and for a time rather thought himself in love with his partner's delightful bride, Susanna. But, his desire for his own wife and family has begun to play upon his mind. A town doctor should have a wife after all. But can he reconcile the actions and troubles of his past and allow himself to enjoy the love and affection that could be his for the taking?

Customer Reviews

This was very good

A lovely story of a young girl who was in her older sisters shadow who answered an advertisement for a Bride from a Doctor in Texas, not telling the Family about the Doctor who had a few things in his past to deal with. The Father went to Texas to open a Hotel leaving his wife and step-daughter home. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me entertained throughout the entire book.

Great short story. Mail order bride stories are so interesting. Frances responded to an advertisement from Texas. Coincidence put her and Marlon in the same town. From there romance bloomed. You should read this. Clean historical romance.

if you like mail order bride stories you will like this one, i have read several of the stories from faith creek, i was given a copy of the story, but i am giving an honest review. all of the stories are good.

This is a story about a young couple who don't have any confidence in themselves. But because of their deep love for each other they were able to work through their problems and find happiness.
