## Customer Reviews

Good coloring book for the young ones as the images are large and not overly detailed. I would recommend this for a younger child who loves fish & the ocean. Plenty of variety in the illustrations - fish, turtles, starfish, octopus.. etc. Large 8.5 x 11 inch size. Goes great with a big box of crayons.

I bought this for our kids to color on a long road trip to the beach. It's cute.

Prefect coloring book for little kids. The picture are very simple but very adorable.

Thought it would be thicker

We're getting married at the Georgia Aquarium and I wanted a sea themed coloring book for the children so they don't get bored (and don't bother me). This book is cute and has simple, easy to color pictures and I think the little kids will like it!

Good.

Good service, good product and great delivery time, five star all the way. Thank you. Leonard

Used to keep all the kids occupied! Great product and shipping!
