Customer Reviews

Cute book. Simple plot, which is to be expected for an easy reader. I suspect this character is coming out in the fall kick-off episode, because I have already seen him on some Paw Patrol toys at the toy store. If you have a Paw Patrol fan, give them a little taste of what's coming. They will love being able to tell their friends about Tracker before anyone else knows!! write reviews because I do the majority of my shopping on and rely on the honest reviews of others. If you found this review helpful, please mark it as helpful. I would also love for you to follow my reviews on . Thanks for reading and happy shopping!!

Great for my 5 year old to read!

My grandson loves Paw Patrol and I know he will love reading these books. Yes they are simple, but he bores easily so that's okay for 4 1/2. And he'll LOVE the stickers- bonus! Good quality books as well.

Such a cute book! My four year old loves the Paw Patrol and all of these little readers. We love the addition of Tracker!! He is such a cute character. My son asks me to read this over and over.

Great addition to the Paw Patrol series.

Very pleased.

My granddaughter loves paw patrol. She just turned 4 and since it was her birthday I thought she would enjoy this story. She loved it and wanted to read it again and again.
