Immediately, surprising and interesting events drew me into the story. It's lighthearted, yet tense. It's dramatic, and very interesting. "Mystery of the Egyptian Temple" is a great children's mystery. It introduces the young reader to lots of very interesting details of ancient Egypt. The plot follows the main characters throughout the book, and in and out of various uniquely ancient Egyptian situations. This story's quite an adventure that's a page turner because I absolutely want to know what happens next. I've never lived in ancient Egypt, and this book opened up a whole new world for me - a world that I really enjoyed visiting while reading this book. This book is extremely well written. I enjoyed the story, and I also enjoyed reading a well-edited book. I highly recommend it.

Was alright. Didn't capture my Son's interest as I hoped it would. Maybe next year.
