JEANETTE WUMMEL is a graphic designer and artist based out of East Lansing, MI. She specializes in creating whimsical art that is fun for all ages.

I loved the pictures, they were cute and well drawn. I love coloring and so do my children, I love any coloring book that we can color together in. I love that the pages are one sided, and they are perforated! They can be easily colored with pencils, markers, or gel pens. I recommend this book to

everyone, you will not regret it

Very cute, but detailed enough for the young at heart as well as the young chronologically.

I love how there is such a wide variety of things to colour. Just enough detail to be interesting, but not so much to not be able to colour with coloured pencils.

I purchased this book to take with us for our long flight to New York at the end of the month. It's perfect for the entire family! I've got an 8, 11, and 15 yr old all excited to get started. Has good detail but isn't too challenging. We love it!

Mom enjoys it!

Not like her other books. I enjoyed the others more.

Love this coloring book so much. It is such a stress reliever!
