'Ideal for cultural exploration' The Observer 'Guide books in the grand tradition of thoroughness and objectivity' Georgia Review 'A gold standard for accuracy and depth' Daily Telegraph

Delia Gray-Durant, who has lived and worked in Paris, is ideally placed to present Paris accessibly to the independent visitor, familiar with not only its great monuments but also its most intimate corners.

Wonderful in depth history, nice walks. Wish there was a guide like this on every city I visited. AMSTERDAM FOR INSTANCE.

Great book! I had an earlier edition and lost it. The updated version is even better!

The Blue Guides are the best guides for people who really want the details of museums and

historical sites. There are very few restaurant and hotel suggestions; use a different guide for those. I use these wherever I travel and I have learned a lot from reading them as I visit a site.

The Blue Guides fill in all the blanks that the other guidebooks have.

great and fast shipping
