Customer Reviews

This POCKET size map was of great and handy use in Ottawa, a city I was unfamiliar with. I found every location I was looking for and I carried it around in my pocket whenever I went out. Print is rather small but it is a POCKET version after all.

This little book of maps was of no use to me. I did not expect a book of maps that are so broken-up, the maps themselves are worthless. I hope someone else writes a review of how they can use a book such as this. I certainly don't understand.
