First Division Band Method, Part 1: B-flat Cornet (Trumpet) (First Division Band Course)

Synopsis

This is an updated edition with a new four-color cover and updated text in various places in the book that mention correlated material. The music and songs are the same. The time-honored First Division Band Method retains the same pedagogically-sound sequence of learning that has taught over 12,000,000 students the fundamentals of learning to play a band instrument.

Thanks

I received a book for the clarinet not the trumpet as ordered

Tens of thousands of students have begun their journey in music from their first day in a beginning band class with this method, for over 50 years. The beginning student needs three things: A good instrument, a good teacher and a thorough written reference that doesn't overwhelm. This gets the notes under the fingers with short familiar tunes that incrementally progress the student's development.

Used this book to learn Trumpet when I was a kid. Easy to understand and great exercises for younglings.
