# Dream Dictionary: An A-to-Z Guide To Understanding Your Unconscious Mind

## Synopsis

The ultimate Guide To Your Inner Self. Let dream therapist Tony Crisp be your guide on one of the most enlightened journeys you will ever take: into the world of your own subconscious mind. Based on material from thousands of dreams gathered during 22 years of research, Dream Dictionary is alphabetically organized to give you instant reference to: Dream Symbols and their meaning. Recurring dreams and their significance. Nightmares -- what they reveal and how to banish them. Sex, money, and color in your dreams. Health and your dreams. Dream archetypes -- what they mean and how to work with them. Problem solving -- how to unlock the extraordinary creative potential of your dreams, and much more! From Abandoned To Zoo, here is the unique encyclopedia handbook that provides an authoritative history of dreams and dream research as well as original insight and essential information that will allow you to understand and use the rich material of your dreams. From the Paperback edition.

## Customer Reviews

I ordered this for my husband and he described it as "weird, but awesome!" I thought it was well

worth the few dollars it cost me! Thanks!!

If you are looking how to understand your dreams you found the book. Easy system in finding the things you are looking for because it is in alphabetic order. This was wonderful. It's awesome because when other people ask me about dreams, I can also look in the book for them too. Love It!!!

This book has helped so much in depicting dreams and situations that my consciousness is not aware of. I never thought it would make so much sense or relate so well to my life, but it has been very helpful in discovering myself. Best dream book out there! Worth the money!

Not as detailed as other books

Don't tell me what my soul is thinking, but thank you for the common ideas we have and let me figure out what my spirit is trying to tell me. I thank the author for his consideration.

Dream types,symbols, and styles this guide's explores many aspects of dreams. Easy to use my dreams now have a meaningful insights. Love shopping for books with !

Very easy to read

I have several books for dreams I refer to this is just one of many. I like to get a couple of ideas on what the items represent in the dream not every book is same. Some have different theories on why and how you dream certain things.
