Sigiriya, by Senake Bandaranayake, is one of the better introductions to Kasyapa's magnificent 5th century AD Sri Lankan fortress in English. Although it is only 40 pages in length, this is a large-format (8x12) book with valuable aerial photographs and a reliable, up-to-date (1999) text. I only wish that S.B., a very fine scholar of the period, had given us a much longer monograph with many more photographs and a more detailed analysis of the art, archaeology, and hydraulic engineering of this superb ancient site.
