The Servants Of The Storm (The Pillars Of Reality Book 5)

Synopsis

A Storm that will wreck a world threatens Dematr. Only Mari, one of the Mechanics who control all technology through their Guild, has a chance to stop it. She and Mage Alain have survived numerous attempts to kill them and have gained many more followers, but the Storm of chaos, born of centuries of enslavement, grows ever closer. Mari leads an army now. She and Alain must fight together to bind back the Broken Kingdom and build a force strong enough to defeat the might of the Great Guilds. But the Storm has many Servants who seek to preserve or gain personal power or wealth, or fear the New Day that Mari seeks to bring to the world. And Mari knows that victory will mean nothing if the precious knowledge brought long ago to their world is destroyed. In order to save it, Alain and Mari will have to pierce through the heart of their enemies' power and confront once more a place of ancient nightmare.

Customer Reviews

A very interesting blend of hard Sci-fi and fantasy with a reasonable explanation of Magic. The story line follows a Mage and a Master Mechanic relationship with each other. One has a very difficult time waiting for the next book in the series. A must read for all. I would not wait before buying the next Jack Campbell book.

The characters and story continue to mature. You're in this far, and the book doesn't disappoint. The mages are becoming more human. This concerns me as Alain is my favorite character.

This was a good lead into the conclusion of the series. The plot development was good and the characters development was good.

another good book to keep you tied to the story line and over too soon.

It's a good continuation. Not easily predictable. If you've gotten this far, get it and keep reading. That's all I have to say.

Great continuation of a very good series

Still more fascinating world building with great characters.

Still loving this series. Especially seeing the Mage characters developing little signs of humanity and the way they do humor. Very, very dry humor. Also really liking that princess. No spoilers, but she kicks butt.
