there and help Detective London in the pursuit of the evil doers. Could not put this book down.

This was a good book but was just a little bit predictable. I like the way this author does the chapters and keeps them concise not overwhelming. It was a nice quick read that kept my attention.

Good story. Really like the way it was written

Kept my interest all the way through!

Great read!!! True Thriller

Read it in one sitting. Not as predictable as some by Alex Gates.

Very fast paced book that keeps you guessing on the who and why. Really enjoyed it and had trouble putting it down.
