# Wonder Woman: The Art And Making Of The Film

## Synopsis

Patty Jenkins's *Wonder Woman* sees the hero brought to the big screen for the first time in her own movie, and fully realizes the breathtaking wonder, strength, and grace of such an historic character. *Wonder Woman: The Art & Making of the Film* celebrates the creation of this groundbreaking movie, taking fans on a voyage of discovery through the world of *Wonder Woman*. Showcasing the earliest concept art, set and costume designs, sketches and storyboards, the book delves deep into the filmmaking process, from creating the stunning island of Themyscira to the war-torn trenches and towns of First World War Europe. This official companion explores the rigorous training regimens, their weaponry, armor, Themysciran culture, and the amazing women themselves. With exclusive insights from cast and crew, including director Patty Jenkins, production designer Aline Bonetto, and Diana herself, Gal Gadot, this volume is the ultimate guide to the past, present, and future of one of the most iconic heroes in the world.

*Wonder Woman*. *Wonder Woman* and all related characters and elements © and TM DC Comics and Warner Bros. Entertainment. (s16)

This is my first purchase of a " Making of the Film Book".Wow I was totally impressed.Of course the film to me was outstanding so needless to say this book also is outstanding,great photos, great art work,large size and of course the surprise from Wayne Industries is very very cool. Package arrived

safely and we'll packed.I am sure the wait time was due to demand and supply issues. Thank you

Excellent book, if you like the DCEU and WW you will get a lot out of this book.

Beautiful coffee table book of behind the scenes of the Wonder Woman movie.

Amazing book! Plus the surprise in the back...so worth the price!!

As an artist this book is amazing. I love the detailed descriptions on the concept art. So beautiful and inspiring!

I love this book! Just like the movie! And the insert in the back cover makes it worth buying (a certain WWI negative plate)If you love the movie and or Gal Gadot you have to get this!

A Must have,A truly beautiful Book

Truly fabulous breakdown of how the movie was filmed, from set design and computer graphics to costumes and storyboards. Great shots of all the main characters, and a book any fan of the movie will enjoy!
