# Ghost Dance 2015 Calendar (Native American)

## **Synopsis**

In the late 1800s, the Ghost Dance religion promised hope and resurrection at a time when Native American nations across America faced destruction. Misunderstood by authorities, the Ghost Dance sparked the savage attack on Sioux men, women, and children at Wounded Knee in 1890. Through his paintings, in Ghost Dance, JD Challenger renews the bonds of strength and dignity linking Native Americans to their history. (11 ½" x 28 inches, open). Tide-mark press has been publishing quality calendars for over 35 years. Search for these 2 other Tide-mark Native American calendars: POWWOW POWWOW Action

## **Customer Reviews**

JD Challenger works closely with Native Americans across the country to inspire his striking paintings. "I am constantly learning," he explains. "I feel very blessed to have their trust and friendship. Most of the history concerning Native Americans has been written by the white man, but I am lucky enough to hear many of the Indian stories and ideas that have been passed down from generation to generation." Challenger's desire to learn has brought him significant acclaim from collectors of fine art originals, limited edition prints, and bronzes. His prints and serigraphs frequently sell out before their release, and their value often rises dramatically within a year of their release date. Challenger's paintings have a remarkable appeal with both the collectors who buy his work and the Native Americans who inspire them. As one collector explains, "Challenger is capable of painting what can only be described as visual poetry. Whether the viewer relates to the subject matter or not, one must be impressed by the power, depth, and dimension of his talent." But Challenger feels his greatest achievement is his acceptance by the Native American community.

"The color and expression in JD's paintings bring out the true Native American feeling and pride of the Ghost Dance era," explains Augie Gray Fox, one of Challenger's models. "He is like a messenger for the Indian people."

Love this type of calendar.

Kept the calendar for the pictures. Nice artwork.

J.D. Challenger's works are among my favorite--bold and powerful! I love his choices for his 2015 calendar.

Love JD Challenger's work. Third year in a row, I bought the calendar and I am not disappointed. I wish I could afford more of his prints.

Great calendar for those who love Southwest touches. This man knows how to bring interest to a painting of Native Americans.

I look forward every year for this calendar, and never disappointed.

Great pictures!

Very nice illustrations of Native Americans
