Anytime, Anywhere with 4LTR Press Online. New

4LTR Press Online: CFIN Online allows easy exploration of CFIN5 anywhere, anytime--including on your device! Collect your notes and create StudyBits from interactive content as you go to remember what's important. Then, either use preset study resources, or personalize the product through easy-to-use tags and filters to prioritize your study time. Make and

review flashcards, review related content, connect with classmates and track your progress with Concept Tracker. Add in access to assignments and documents from your instructor, and you have everything you need in one place and always accessible!

Shorter Chapters. CFIN's easy-to-reference design with shorter chapters presents Corporate Finance content in a more convenient and accessible style, complete with engaging visuals to help you better recall key concepts.

Tear-Out Review Cards. Tear-Out Review Cards at the back of the textbook provide a portable study tool containing all of the pertinent information you need for class and test preparation.

Relevant Material. Helping you connect chapter concepts to real life, new Chapter Highlight boxes in CFIN Online relate material from the text to everyday life situations and news taken straight from current headlines.

"I used all aspects of the 4LTR Press solutions. I found them very helpful study tools." "The online help was great. The games made it so it wasn't boring and I retained more of the information." "I like the online quizzes. They are very helpful. So are the chapter review cards. I use them before each exam."

Dr. Scott Besley is Associate Professor and Chair of the Department of Finance at the University of South Florida. He earned his DBA and MBA degrees from Florida State University. A well-respected author and instructor, Dr. Besley has published numerous research articles in various academic journals and has co-authored two of the leading textbooks in corporate finance that are used at universities around the world. His research interests include areas of corporate finance, working capital management, governance, and investment anomalies. A frequently requested presenter at professional conferences, Dr. Besley is actively involved in numerous finance and professional organizations. When he is not teaching or pursuing research interests, he is heavily involved in his local community.

Dr. Eugene F. Brigham is Graduate Research Professor Emeritus at the University of Florida, where he has taught since 1971. He earned his MBA and Ph.D. from the University of California-Berkeley and his undergraduate degree from the University of North Carolina. Prior to joining the University of Florida, Dr. Brigham held teaching positions at the University of Connecticut, the University of Wisconsin, and the University of California-Los Angeles. A former president of the Financial Management Association, he has written more than 40 journal articles on the cost of capital, capital structure, and other aspects of financial management. He authored or co-authored ten textbooks on managerial finance and managerial economics that have also been translated into 11 languages worldwide. In addition, Dr. Brigham has served as a consultant to

many corporations and government agencies.

The online card was just online version of the book, you could buy it used and save some money as the online added no real value.

Awesome book! Compact chapters, yet provides plenty of relevant information for the CMA exam as well as the course itself. This book lays a great foundation for information regarding Business Finance. This book makes reading for this class very easy!

Very wordy, but helpful when it comes to equations and examples. I recommend reading it if you have an online class.

Enjoyable text

It came perfectly.

Engaging, readable text with excellent examples and helpful study problems.

Great
