# The “Startup No Fail” Approach: It Took Me 5 Years And 7 Fails To Uncover It And Succeed In A Week

## Synopsis

Suddenly my mind blew up. It was something out of this world! The approach described in the article was so simple and logical. The results were awesome! My jaw dropped to the floor, and my eyes popped out. I shouted out loud: "Holy %@##!!! I wasted 5 years on these never-ending Lean Startup fail-fasts, when I could have been making profitable businesses right away without any tests and failures! AAAAAAAH!" My 2-month-old daughter was sleeping in the next room. I'd forgotten that. I shut up, but still I was shouting in my mind. The first snow was falling behind the window. ## Customer Reviews

I've just finished reading your latest book "startup no fail" approach. While there was no new technical information for me (I stalk most of what Aladdin writes) I didn't know about all the previous startups. I thought it was only one. Thanks for sharing so much of your personal life. I appreciate even the simple act of sharing knowledge - even more sharing

vulnerabilities. You just made it to my "guys I need to learn more from" along with noah kagan and tim ferris.
