Synopsis

Extensively updated and revised, this 560-page new edition maintains its strong focus on the neighborhoods of the Twin Cities as well as the surrounding suburban communities. Brand new to this edition is a chapter devoted to Green Living, so appropriate for this hub for bicycle commuting and environmental activism. Another innovation is the inclusion of neighborhood and community photographs to give the reader an even better idea of each area's specific character. From Elk River to River Falls, Wisconsin, from Andover to Apple Valley, and from Lake Minnetonka to White Bear Lake, this Newcomer's Handbook® provides you with the most up-to-date information on neighborhoods, housing options and trends, new development, and all the pluses of Twin Cities life, including education and childcare, transportation, cultural life, surviving the weather, and much more.

Elizabeth Caperton-Halvorson has lived in the Minneapolis area for 30 years. Raised in Virginia, her experience as a newcomer began with her marriage to a Minnesotan--and nearly ended when she realized she had worn her winter coat through the entire summer the first year she lived in the Twin Cities. She and her family soon discovered the exhilaration of Minnesota skiing and the joy of sailing Lake Minnetonka by moonlight, and she now looks forward to the cycle of the seasons. She has worked as an elementary school teacher and newspaper reporter, and is currently a writer and editor of corporate communications. Her family's hobbies revolve around art, bridge, gardening, and sports.

My daughter & her husband were preparing to move to Minneapolis - got them a copy. Also got one for myself to enjoy their experience vicariously. They used it to set up and are using it still to settle in as they have accomplished their move. The resources & references are great - the neighborhood descriptions very useful. It is nicely written. Got so much out of it, I bought a more touristy book for myself and am planning to visit sooner than planned. (yes, they invited me :)

Friendly and fun, very helpful

Thorough and helpful.

Good buy

I was sent a book on Chicago.
