# Private Secondary Schools 2004-2005

## **Synopsis**

This valuable resource allows students and parents to compare and select from more than 1,500 schools in the U.S., Canada, and around the world. Schools featured include independent day schools, special needs schools, and boarding schools (including junior boarding schools for middle-school students). Helpful information listed for each of these schools include: school's area of specialization, setting, affiliation, accreditation, tuition, financial aid, student body, faculty, academic programs, social life, admission information, contacts, and more.

## **Customer Reviews**

Features and Benefits: -The 2005 edition marks the 25th anniversary of this book! -Informative data profiles for more than 1,500 private schools listed alphabetically. -More than 350 in-depth descriptions written by private schools' administrators exclusively for Peterson's. -Helpful articles on the merits of a private education, planning a successful school search, searching for private schools online, finding the perfect match, paying for a private education, and tips for taking the necessary standardized tests. -A handy planning calendar. -A reference chart making it easy to quickly compare various schools for type of program, grades, faculty, student/faculty ratio, AP subject areas, and sports offered. -Specialized search directories allowing students and parents to obtain a list of schools that meets their specific criteria.

I was able to find the perfect school for my troubled teenager because of the amount of information and the way it is organized in this tome. A LOT of information!
