# The Mountains Of Andorra: Walks, Scrambles, Via Ferratas And Treks (Cicerone Mountain Walking)

## Synopsis

This is the first complete English-language guide to exploring the mountains of the accessible but mysterious country of Andorra, tucked away between France and Spain. With 80 mountain lakes and a host of elegant peaks the principality offers a breathtaking range of walks in a compact area. Easily accessible from the UK, Andorra's inexpensive accommodation, excellent bus service, adequate maps and cheap food, make it an inviting walking destination. The guide is written by an experienced guiding and writing team, and details 60 routes throughout the country. The routes include numerous walks, with scrambles and straightforward peaks, plus some via ferratas and the week-long Andorra Circuit trek.
