Customer Reviews

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." —Booklist "Fodor's super-informative guidebooks are known for accuracy and attention to detail." —The Sacramento Bee "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." —Chicago Tribune "The great detail, infectious

spirit, and attractive format are distinguishing traits of these guides, which are entries in one of the top series in the business." *Booklist* "Fodor's can help you plan the perfect adventure" *The Arizona Republic* "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" *Mid South Magazine* "Widely recognized as the gold standard of mainstream travel" *Honolulu Advertiser*

Each Fodor's Travel Guide is researched and written by resident experts.

I'm a Fodor's fan and when traveling find these books very useful. As always, the book was spot on with lodging and dining suggestions, however, the section on Barbados was missing some vital information on recreational activities. Certain things can only be done on certain days, and need to be booked well ahead of time. We arrived on a Friday and decided to take it easy the first few days and wanted to take a sunset cruise during the week, unfortunately the book didn't mention that there is no mid week option. Guess we'll just have to go back :)

This is an excellent book, as are all the Fodor's guides. The only thing that may be a disappointment is if you already own Fodor's Caribbean and are looking for more in depth coverage of specific islands, as I was. There is some additional material here and some additional pictures, however much of it is a rehash of what is in Fodor's Caribbean. That said, if you don't already own Fodor's Caribbean it is an excellent guide.

We wanted a brief overview of the islands and this book worked. The problem with all the tourist books on the various islands is that most are combined into a book criss-crossing all of the caribbean.

We like Fodor's travel books and use them often. This is good and helpful--perhaps a bit too brief but nonetheless worth the investment.

Hoping to go to these islands soon and always want information before going. This book gave some really great suggestions, as do all Fodor's Books.
