John Wayne Magazine, the official publication of John Wayne, celebrates the life and legacy of America's greatest icon. It is sold bi-monthly on newsstands nationwide.

Recipes I can actually use that are good. Thanks to the Duke and family. I would have enjoyed sharing this with my mom, just wish it was available 2 months ago.

It's what the Duke ate. That's what makes it cool. The recipes are all pretty easy and straight forward. Wayne's wife is probably mostly to thank for this book. I'm a Duke fan so I thought why not? It really does have some good recipes and they don't have a lot of exotic ingredients. (That is how I can tell if it's a BULLS*** cookbook.) When you have to spend extreme amounts of money to

attain a flavor or a taste. These recipes are totally do-able, with ingredients that are reasonable.

Excellent book with brilliant pictures of the Duke and the meals. The format makes this probably one of the funnest cookbooks to read for leisure!

I say anyone who is a true John Wayne fan should get this book. I have every movie he was ever in, I have a John Wayne collection that doesn't even fit into one room. This book told me things I didn't even know. I have only just started to cook using the recipes, boy are they great tasting. Was a gift to my son for Father's Day, but I kept it. Now have to order another one to send to him.

This is an AMAZING cookbook! FINALLY! A cookbook with recipes that I actually USE! This cookbook not only shows the proper way to grill, but includes lots of side dishes to go with your barbecued meats. It has my highest recommendation!

I don't really know much about grilling and I'm not a big fan of John Wayne, but I have a relative who loves both of these things. They absolutely LOVED this book. Raved about it in person and then sent an additional, extraordinarily detailed followup thank you note about how amazing it was after putting it to the test with their barbecue. Probably one of the most successful gifts I've ever given.

This is the BEST!! I bought this as a gift for my Father in Law, its perfect! Its got great recipes, stories and pictures! I'm really glad I bought some of the "john Wayne" spices to go with as their are recipes in the book that call for them! Can't wait to try his first meal!

I have always been a John Wayne fan and purchased the book primarily for the information on John Wayne's home life and career, the recipes were a big bonus. The information was very good and I love the book. I haven't tried any of the recipes yet, but they sound really good. It's getting to be the prime grilling season where I live, so I will definitely try out the recipes.
