Italian composer Giacomo Puccini (1858–1924) created *La Bohème*, *Madama Butterfly*, *Turandot*, *Tosca*, and other beloved operas. He was the most popular opera composer in the world at the time of his death, and his works remain standards of the repertoire. --This text refers to an alternate Paperback edition.

very good seller . my husband think it is amazing , fast shipping. I will recommend it to my friend.  
Great product,most impressive was the follow up and consideration given for my purchase from  
Blue Key World the seller. Outstanding.

The notes are clear and easy to read, but I was very annoyed to discover that English is the primary text given in this edition (Dover Vocal Score). The English appears immediatly beneath the notes and underneath the English is the proper Italian, in italics! Crazy!

Okay. With no english translations at the bottom, how are you supposed to know what you are singing about? Get the G Schirmer version. Its much better. However, if this is all you can afford then I say by all means go for it.~Adele
