God's Wonderful World (Frolic First Faith)

Synopsis

As toddlers and infants explore this book they will learn about their five senses and how they can explore God's world with them. Children as little as babies can learn that this is God's world that was created for us to experience using touch, taste, smell, hear, and see. Frolic board books playfully introduce basic faith concepts in a way that's fun and age appropriate for very small children.

Book Information

Customer Reviews

"The Frolic board books are absolutely delightful. Little ones learn through pictures and the artwork in these books is simple and bright ... just perfect for them. What I enjoyed most when reading one of the books to two kids in our church nursery was the incredible number of things they wanted to point out on each page. The little details give you so many opportunities to explore and ask questions. Love, love, love these books!" --KidzMatter, 5 Stars"... a cozy, faith-centric meditation on the world's wonders." --Publishers Weekly

LOVE this whole series!
