Rule No. 5: No Sex On The Bus: Confessions Of A Tour Leader

Synopsis

Brian Thacker confesses all as he reveals the best (and worst) of 20 trips as a tour leader around Europe. He tells how he fed passengers horse meat spag bol, hamburgers made from breakfast cereal and roosters' testicles; how he left a passenger standing by the side of a motorway in France for 3 hours in his underwear clutching a purple toothbrush and how, along the way, he lost his driver, his cook, his bus, ten brightly coloured canal bikes, a large church and eventually his patience.

"Hilarious observations about European travel" -- Travel & Leisure
"Takes readers along for a jolly ride" -- USA Today

Brian Thacker was born in England but didn't like the weather so he immigrated to Australia when he was 6. Brian has vast writing experience. He has written over a thousand postcards in his travels. He has worked as a tour leader, ski guide, advertising art director, silver service waiter, painter, barman, paper shredder, newspaper delivery boy and butcher's assistant. He lives in Melbourne with his wife Natalie.

I bought this book to tease friends heading off for their first European bus tour. It was fine for that. I read a few pages and found the humor okay but I did not read it all.

Brought this book to cheer me up after I had finished one of the exact tour groups this book talks about! What a feaking laugh!!!! Don't think ive ever read a book this funny before! My flatmates think i'm weird because I keep laughing out loud.. haha Some people will be suprised that a lot of what this book describes actually happens on these tours.. they are pretty crazy!! Best time of my life though and the book helps me relive it all over again! Hot summer nights, cold drinks, a stuffy bus, 45 strangers and the whole of europe.. what a mix!!!

Really loved this book and already have a few more of Brian's books on my Wishlist. The dude's a little messed up with the things he says/does to his travelers, but still a fantastic read.

Highly entertaining.

For those who have travelled on a bus tour through Europe - this is a hilarious read, about the places visited and the antics of various tour groups both on and off the bus. Rule No. 5: No Sex on the Bus

It was fun to see travel from a different perspective. The author writes in an easy to read and entertaining style. It is too bad he is no longer in the travel guide business.

i encountered this book on a friend's bookshelf nearly two years ago. after deciding that i needed to give her copy back to her, i bought my own. it's hysterical and evokes my own laughable memories of trips abroad. definitely worth a read!!

I couldn't put this book down, it's a must read.
