Sailor Jerry Tattoo Flash, Vol. 3

Synopsis

Back in print for the first time in years, we present the long-awaited third volume of classic Sailor Jerry flash. 50 full-size, full-color sheets from the master. Between 1940 and 1973, Norman Sailor Jerry Collins became known as the greatest practitioner of classic American tattooing. His masterful designs, featuring ships and beautiful girls, eagles, hearts, roses, and other now-familiar motifs, were widely imitated but rarely matched for boldness, elegance, and clarity. This generously-sized book is indispensable for any tattoo shop, tattoo fan, or person interested in a great American art tradition.
