Llama Llama Time To Share

Synopsis

Llama has a sharing drama! Build a tower. Make a moat. Nelly's dolly sails a boat. What can Llama Llama add? Maybe sharing's not so bad. Llama Llama has new neighbors! Nelly Gnu and her mama stop by for a play date, but Llama's not so sure it's time to share all his toys. Maybe just his blocks? It could be fun to make a castle with Nelly . . . But wait--Nelly has Llama's little Fuzzy Llama! The fun turns to tears when Fuzzy Llama is ripped in two, "all because of Nelly Gnu!" Mama comes to the rescue and fixes Fuzzy, but she makes it clear: "I'll put Fuzzy on the stairs, until you're sure that you can share." Fun to read aloud and helpful to children and parents alike, Llama Llama Time to Share is for any child who needs a little encouragement in sharing.

PreS-K-When the new neighbors stop by for a visit, Mama reminds Llama Llama and Nelly Gnu to share. The two youngsters get along well until Nelly plays with Llama Llama's most cherished toy, and a brief scuffle results in Fuzzy Llama's arm being torn off. Not to worry, the toy and friendship are soon mended, leaving everyone anticipating the next playdate. Dewdney's large paintings are bright, bold, and expressive. In this brightly illustrated book from the Llama Llama series, new neighbors come to visit. Llama manages to share his blocks and play nicely with little Nelly Gnu, sometimes referred to as "the Gnu girl." But when he sees her playing with his dolly Fuzzy, Llama grabs, Nelly tugs, and Fuzzy's arm rips off. After apologies and a bit of mending, Llama and Nelly enjoy playing together again. Clearly depicting the characters' emotions, Dewdney's paintings bring the rhyming text to life on the page. The simplicity of the story and its timeless topic will make this a popular choice for reading aloud. Preschool-Kindergarten. --Carolyn Phelan

I love Anna Dewdney and I miss her already. I bought these books for my daughter 12 years ago and have gifted them to every child for baby showers, birthdays, holiday presents, ANY TIME I can. These will be a BIG hit if you buy them. I just love them.

I enjoy reading this story to my 2 year old. He likes the large scale images and the characters in the book. He loves that the moms in the book have tea together as he has a little tea with me in the morning. He seems to love to say Llama Llama and its so cute when he does! The story is written with a sing song quality and he likes the way it sounds as I read. He is also learning to share and meeting new friends and this book helps. Very sweet! Thanks Anna Dewdney!

Our grandson has story time before bed each night & this book was an excellent addition to his collection.

Perfect in every way. Shipping was quick too!

We were gifted "Llama Llama Red Pajama" as a shower gift--the rhythm and rhyme quickly made it a favorite for mom, dad and baby. I was excited to come across this "Llama Llama" book at the library...and so was my daughter! She's 18 months. This is her most often requested book. Ms. Dewdney does a fantastic job introducing essential life concepts in an entertaining way: this book works out meeting new people, sharing (obviously--given the title), playing together, tragedy (Llama's "lovey" gets ripped in two! "Oh disaster!"), the power of mama (hallelujah for needle and thread), and saying "I'm sorry." This will be a long-time favorite in our house!

I love these stories!! I have the entire collection and my kiddos just love them.

Did not realize how big it was! Wish it came in a small board book
