Customer Reviews

God is big. So since He is in control of our dreams coming true, we should always dream big. Never give up on your dreams happening. But remember they happen in God's timing, not ours.

This book strikes a cord with me because I love romance and how it all plays out. Even when you think you know how it will turn out it is the getting there that makes it interesting and a worth while read... all in all a very good and enjoyable read.

It was different from any Amish stories have read .Have not read any where the parent was hurtful to their child. I did like the ending.
