## Customer Reviews

same as above

I can't believe all the good reviews on this series! Are all those reviewers related to the author or something? This was terrible! It was written on such a juvenile level, it feels like a fourth grader wrote it. It was so bad I just don't even know where to begin. Grammatical errors, silly plot, unbelievable behavior, far-fetched actions, it just was really bad. A waste of time. I definitely do not recommend you buy this series. Save your money.

This is a boxed set of 3 well written and fascinating books about Emma and her Amish family. She wants desperately to lose weight so she will be healthier, have less pain and will feel more attractive for Jacob. He wants to marry her but she asked him to wait until her weight is under control. Her sister Barbara is extremely upset because she is afraid Rachel will become prettier than her. Now the adventure begins.....you will be shocked at the things Barbara will do to keep Emma unhealthy. Once you start reading it will draw you in and you will look forward to each book.!!

In this series you have a young woman who has to lose weight and so do others in the family due to their health. You have one very jealous sister who will stop at nothing to bring her sister down. The stories are excellent and should teach all of us a lesson in life.

Loved Emma's story, It seemed very realistic and heartwarming.

I thoroughly enjoyed reading this series. It was easy to read and very informative about bariatric

(weight loss) surgery. I totally enjoy reading Amish fiction and especially ones by this author.

love this series thanks Rachel
