Building A Parenting Agreement That Works: Child Custody Agreements Step By Step

Synopsis

Avoid custody battles -- save time, money and griefWorking out a fair and realistic child custody agreement is one of the most difficult tasks for parents going through a divorce or separation. Building a Parenting Agreement That Works is the only book to show separating or divorcing parents how to overcome obstacles and create win-win custody agreements.A professional mediator, author Mimi Lyster sets out 40 issues separating parents typically face, and presents all the options to resolving them. The book walks you through all the factors you must consider, including: medical care education religious training living arrangements holidays money issues dealing with changes in an existing agreement how to handle new partners working with professionalsThe updated edition includes checklists and worksheets to help you complete the custody agreement, and provides the current custody laws of your state. It also contains new information on "moveaway" laws. All forms are now downloadable at nolo.com

Customer Reviews

I love this book! If I had known about it when I was in law school, I would have had my faith restored in humanity and not dropped out.

Well said .

The book has some issues that are actually important listed one way, however, they are incorrect -
Issues regarding UCCJEA.
