GoPro: How To Use The GoPro Hero 5 Black

Synopsis

FROM THE #1 BEST SELLING AUTHOR ON GoPro CAMERAS. Specifically for the GoPro HERO 5 BLACK, this is the perfect guide book for anyone who wants to learn how to use the GoPro HERO 5 Black camera to capture unique videos and photos. With more than 100+ color images, this book provides clear, step-by-step lessons to get you out there using your GoPro HERO 5 Black camera to document your life and your adventures. This book covers everything you need to know about using your GoPro HERO 5 Black camera. The book teaches you: how to operate your camera; how to choose your settings; tips for the most useful GoPro mounts; vital photography/cinematography knowledge; simple photo, video and time lapse editing techniques; and how to share your edited video and photos. Through the SEVEN STEPS laid out in this book, you will understand your camera and learn how to use FREE software to finally do something with your results. This book is perfect for beginners, but also provides in depth knowledge that will be useful for intermediate camera users. Written specifically for the GoPro HERO5 Black camera.

Customer Reviews

VERY INFORMATIVE BOOK, 7 Chapters of great knowledge. I am a very avid amateur photographer with over 20 years experience. I do a lot of different types of photography from Astrophotography with traditional digital camera's and high tech CCD devices linked to computers, to scuba-diving underwater video's and photography. While the GoPro Hero 5 has a lot of intuitive drop down menu's, this book will take you to a higher level of understanding and practical use which will enable the GoPro user to get the most out of their camera. A little pricey for the number of pages, but the quality of this book is outstanding from the physical construction of the book to the vast quantity of example pictures and illustrations. A definite BUY if you have a GoPro 5. In my opinion, the user of a GoPro 5 will get MUCH more use and enjoyment out of their camera after reading this book.

Very informative! Great insights and advice. Everything I tried by following the steps worked exactly as described. Wouldn't have gotten the most out of GoPro in the short time I had to learn without this book.

I'm new to the GoPro and this reference manual/training guide was amazing in helping me learn how to use it quickly. The book provides a lot of information that would have taken me a lot of time and trial and error to learn. There are lots of tips, tricks, and good solid information about how to use the GoPro Hero 5 Black. I am very happy I purchased it and would do it again. Have a great day !!
Namaste'

I knew zero about camera and how to work it. This book has a ton of information

Very informative book, everyone who owns a gopro camera should read this book.

Brilliant and very helpful, achieves getting the most out of your camera.

Good book with lot of information but was not a help when my camers stopped operating

Still trying to learn it on my spare time. Thanks
