Customer Reviews

"Erase those lingering doubts about where to go, what to see, and where to eat and sleep. . . . [This book] has all of the references you need and then some."--The Hartford Courant

(Connecticut)"There is such a wealth of information on places to see and things to do, moms and dads will have a hard time choosing what to pick first."--Greenwich Magazine (Connecticut)

Written by a parent, for parents, this opinionated, personal, and easy-to-use guide has hundreds of ideas to keep the kids entertained for an hour, a day, or a weekend! Fun with the Family Connecticut leads the way to amusement parks, historical attractions, children's museums, wildlife habitats, festivals, parks, and much more. The whole family will enjoy Kayaking or canoeing down the Farmington River; Discovering underwater life at the aquariums in Mystic and Norwalk; Riding aboard the historic Essex Steam Train; Exploring Dinosaur State Park in Rocky Hill

What a resource! This book is so well detailed - it tells me what ages the attractions are for, what is available for kids to do at each place; and how educational or fun a place will be. It gives information on parking and costs, too. I just moved to CT to be near my grandkids- and this book has helpful hints about how to get around- including what alternate road to take if there is traffic. This is the best guide book I have ever seen. Even if you don't have kids it is great for adults as well as it has museum information (not just the hours and location, but actual reviews of content) I have shown it to CT residents and they find new information about places they did not know. Thank You, authors.

Being a new mom, this book is a must have. Already, many pages are 'ear marked.' We look forward to our next CT adventure!

Great family friendly adventures.
