## Customer Reviews

After watching the 33 series online I knew I had to have this particular session on A Man and His Traps. If your a man and your struggling with your identity with God then I whole heartly recommend the 33 series which is composed of 6 lessons with each session having 6 videos aprrox. 30 minutes long. I began with session 1 and was immediately drawn in. The series is a bit expensive but can be purchased separately and through you might even find used. I got mine through Seattlegoodwill and was more than pleased with it's condition. I'll continue to look for the other sessions.

A great series of studies for helping men to reach their full potential as husbands, friends, fathers, and co-workers.

convicting, great series for a bunch of guys, I would recommend it to accompany the video series. I do think the video series is the best mens group series I have personally ever been in. It might be the DVD format, but for whatever reason, I get a lot out of it.

This book is being used to teach manhood to inmates in a maximum security and the men love it.

ITS OK

Great learning tool

This, in your face, series gets to the heart of what men want and need most! Bryan Carter, Tierce Green, and John Bryson are right on in their presentation! They lead out in authentic and practical information for dealing with the secret struggles that every man must address. These are powerful and stories and testimonies of men who are trying to live a life of integrity, but occasionally fall to the temptations of life. But they do not leave you there wondering "But what can I do to change?" They give biblically challenging and encouraging help for men to regain hope for their marriages, their families, their jobs and their integrity. I highly recommend this series for every man or men's group, teen age guys, young adult men, or older men.
