The Irony Of Democracy: An Uncommon Introduction To American Politics

Synopsis

The question at the center of the seventeenth edition of THE IRONY OF DEMOCRACY is "How democratic is American society?" While most American government books address politics from a pluralist perspective (the theory that many groups of people share power in the United States), this book approaches the subject using an elitist perspective (the theory that only a tiny number of people make the decisions that shape our lives). By exposing the irony between elitism and democratic theory and modern pluralism, this eye-opening book helps readers understand why the U.S. government works as it does.

Customer Reviews

"The Irony of Democracy is a good alternative introduction to American politics and government that challenges students to think critically about U.S. government and their role in it." "[THE IRONY OF DEMOCRACY] makes a strong case for ideas students have not considered before. Some love it, others object strongly to it, but it makes them all think about our system and its values in a new light."

Louis E. Schubert has been Professor of Political Science at City College of San Francisco since 2000. He received his B.A. from the University of Connecticut and his M.A. and Ph.D. from the University of Southern California. He regularly teaches courses on American government, ethnic politics, terrorism and counterterrorism, political theory, and American studies. He has also taught Environmental Politics and Policy, The Presidency, Interest Groups and Elite Behavior, Elections

and Political Participation, Political Economy, Parties, PACs and Campaigns, and American Political Thought. He has taught at the University of Southern California, the University of California Riverside, Santa Monica College, and the University of Redlands. Thomas R. Dye is Emeritus Professor of Political Science at Florida State University. He received his B.S. and M.A. from Pennsylvania State University and his Ph.D. from the University of Pennsylvania. He is the author of numerous books and articles on American government and public policy. Dye has served as president of the Southern Political Science Association, president of the Policy Studies Organization, and secretary of the American Political Science Association. He is the recipient of the Harold Laswell Award for career contributions to the study of public policy and the Donald C. Stone Award for career contributions to the study of federalism. He received the Outstanding Alumni Award in 2001 from Penn State's College of Liberal Arts. Dye has taught at the University of Pennsylvania, the University of Wisconsin, and the University of Georgia. He served as visiting scholar at Bar-Elan University, Israel, and the Brookings Institution, Washington, D.C. Harmon Zeigler taught at numerous universities, including Florida State University, Emory University, the University of Georgia, the University of Oregon, State University of New York (Stony Brook), New York University, and the University of Washington. Abroad, he taught at the University of Oslo, Sydney University, and Passau University. In addition to *THE IRONY OF DEMOCRACY: AN UNCOMMON INTRODUCTION TO AMERICAN POLITICS*, he and Thomas R. Dye wrote *AMERICAN POLITICS IN THE MEDIA AGE*. His other books include *INTEREST GROUPS IN AMERICAN SOCIETY*; *GOVERNING AMERICAN SCHOOLS* (with Kent Jennings); *THE QUEST FOR RESPONSIVE GOVERNMENT* (with Harvey Tucker); *THE POLITICAL COMMUNITY, PLURALISM, CORPORATISM AND CONFUCIANISM*; and *POLITICAL PARTIES IN INDUSTRIAL DEMOCRACIES*. He received two Fulbright awards and was named a Guggenheim Fellow in 1970.

As far as textbooks go, this was a very interesting and easy read. This book takes a liberal view and presents true facts instead of sugarcoating American political issues. As a required reading, this was actually enjoyable!

For a person that wants an introduction into politics, this is not the book to read. It can be very hard to understand at times, very dense.

Excellent government and politics textbook.

Very readable.

This book has a lot of information. It is presented fairly well, and makes a lot of great arguments. But I find the Kindle version very hard to navigate.

Very good book

Great Item.

This book is a required textbook for my political science course, so please read this review with that in mind. I found the perspective the author took on the way our government works interesting and unique, but a little dark. I give it three stars because I found the writing boring and tedious to read. I find the subject of political science interesting, but this book was very dry. If you have to read it, there are helpful summaries at the end of each chapter which I recommend looking at.
