Customer Reviews

Hahaha, these are great, not only are they funny, but coloring is very therapeutic, they say... Who
ever they are, say it's close to meditation. I love to color and I see why. You can really just zone out
and relax. These are not only funny but they are pretty too, there is a good variety and I like that
they are one sided. I can use my gel pens and it won't ruin the other drawings. There are many
pages and designed nicely, I'm happy with these and would recommend this, I was lucky enough to
get this at a discount in exchange for my honest opinion.

Perfect gift for the person I am giving it too. There were a lot of bonus downloads. This is more of the doodle type than another I bought which was funnier but more like coloring.

this made a really cute gift for my friend. a bit more vulgar than the title of the book, but very funny to the person with the right sense of humor.

Once again another awesome book by Alex Flemming!! I love his artwork and fun pages and phrases! Check out his other books as well and you won't be disappointed!!!

I purchased this coloring book for a fellow employee, she was the first person I thought of when I saw it. She absolutely loved it. Made her day and mine. Made me kind of wish I had gotten myself a copy. The swear word combinations are fun.

I love Alex Fleming's coloring books and I have quite a few of them. If you like strong language/curse words, then you will find this book hilarious. Also, if you ever get angry at someone or a certain situation, sit down, pick a phrase that best describes your mood or what you're thinking, and color away all your stress. It's like taking a nice long and hot shower.

So much fun and so inexpensive I bought 4 so I can give a few to my coworkers (with a box of crayons as a gift). It is not only stress relieving, it's expanding my vocabulary too! I love it!

These are super fun...
