As a producer and sometimes reporter for CNN, she garnered numerous awards, including eight Emmy nominations. She currently owns her own Atlanta-based production company, J-Mac Productions, and has produced material for the Travel Channel, ABC, NBC, CBS, and VH-1, among others. She also is author of Insiders' Guide to Myrtle Beach and the Grand Strand as well

as Historic Walking Guides: Bruges. She is a contributing editor for travelgirl magazine and writes for numerous publications.

Considering the higher price of this travel book, I expected a bit more than average. I would have liked better descriptions of the areas as well as some great itineraries. I use these travel books to plan my journey, because all the information is available in a single place. But I have found that this book is lacking in itineraries, photos, and other aspects. Rather disappointing, overall, considering the higher price point.

Very informative & I will carry it around with me as I travel around Atlanta. Easy to use & necessary!

A full briefing of Atlanta and surroundings. But annoying a travel guide without pictures. It seems like a work in piece. But a good one. Maybe when some pictures added can get 5 stars.
