Greece (Countries Of The World Set 2)

Synopsis

Explore diverse landscapes, travel back in time, and discover unique populations, all without leaving your chair! Start your international tour in Greece, land of the Parthenon, the ancient Olympic Games, the Aegean Sea, and so much more. This colorful, informative book introduces Greece's history, geography, culture, climate, government, economy, and other significant features. Sidebars, maps, fact pages, a glossary, a timeline, historic images and full-color photos, and well-placed graphs and charts enhance this engaging title. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Customer Reviews

Gr 5-8-An up-to-date and comprehensive look at Greece, with a great deal of information packed into its pages. The layout has plenty of white space-a result of the use of a smaller than usual print for elementary-grade books on countries. There are a lot of sidebars and large, fresh, and interesting photographs. Several maps, a "key facts" page, and footnotes on sources are included (although the latter's placement at the back of the book and not on the bottom of the pages might be confusing to some users). The text is businesslike and informative; it does not pretend to be chatty and lively, although it reads well. Uncommon facts are included as are excellent summaries of several of the Greeks' main concerns: their dislike of the Macedonian name for the country that was part of the former Yugoslavia, their problem with migration of their youth, the Albanian immigration, etc. This attractive book deserves serious consideration.-Judith Constantinides, formerly at East
