Jesus Storybook Bible Curriculum Kit Handouts, Old Testament

Synopsis

The Jesus Storybook Bible Curriculum Kit Handouts, Old Testament contains 21 four-color child handouts – one for each Old Testament lesson covered in the curriculum. Each handout includes an activity, memory verse, note for parents, and reinforces what the child discovered about Jesus in that lesson. One Old Testament handout pack and one New Testament handout pack needed per child. Designed for use with The Jesus Storybook Bible Curriculum Kit. These are the same handouts that are provided in PDF format on the Jesus Storybook Bible Curriculum Kit DVD-ROM. The Jesus Storybook Bible Curriculum features everything you need for nearly a year of curriculum lessons. Kit includes 44 individual lessons plus 6 review lessons (3 Old Testament, 3 New Testament – available online at www.jesusstorybookbible.com) plus ideas for engaging activities, easy-to-use instructions and notes for teachers based on material from Timothy Keller, memory verses, color handouts, and much more. The Jesus Storybook Bible Curriculum invites children to join in the greatest of all adventures, to discover for themselves that Jesus is at the center of God's great story of salvation – and at the center of their story too.

Sally Lloyd-Jones is a leading writer of inspirational books for children. She is the author of three

bestselling children's Bibles, including the Moonbeam Award winner and ALA notable The Jesus Storybook Bible, as well as Thoughts to Make Your Heart Sing, winner of the ECPA Inspirational Book award. She has written many picture books for children, such as the critically acclaimed New York Times bestseller How to Be a Baby: By Me, the Big Sister and Song of the Stars. Sally was born and raised in Africa, was schooled in England, and now lives in New York City. She can be found at <http://www.sallylloyd-jones.com>. Sam Shammas has a Master's degree in English Literature from St Peter's College, Oxford University and trained at the Ecole Jacques Lecoq in Paris. She worked for six years at All Souls Church Langham Place in London, where she co-wrote and developed Christianity Explored, Discipleship Explored, and CY (a curriculum for youth based on Mark's Gospel). She currently works at Redeemer Presbyterian Church in New York, where she co-wrote and developed the curriculum for Timothy Keller's The Reason for God and The Prodigal God, as well as an eight-week discipleship curriculum, Gospel in Life

I have nearly every children's bible recommended and this has been the most helpful to our entire family. I was at a loss about how to explain the death of Christ without first communicating the love of God to my 2 year old. After spending some time in the old testament part of this bible (which tells of the love of God and his "rescue plan" for our redemption), I was able to just simply read the death and resurrection story and he took it as a matter of course! The slightly animated videos are the best part though. The narrator really brings the stories to life, and it's great to see the story after you've been reading it to your little one for a while. Now, as for the curriculum part - It's definitely geared for an older child (7yrs old maybe?). And I was sad not to see any coloring pages or story cards that we could use to act out the stories. It's really just a list of suggested explanations and activities.

I am teaching 4th and 5th grade SS at my church. I purchased the whole kit and donated it to our church. The kids are enthralled and we have so much fun learning, worship and praying. The lesson plans are wonderful and I believe the curriculum will help preventing children leaving the church when they are older, which is one of my goals. The DVD WITH THE AUDIO STORIES and the lesson plans is missing from my room. What can I do to get a replacement DVD. I do not need the cd. Thank you for your help. This Bible captures more of the heart of each Bible story than any other children's Bible I've seen. My 4-year-old (who loves books) has most stories memorized and still wants to read at least one every day. My 2-year-old has a hard time staying engaged through the end of the stories but still enjoys them. The writing is easy to understand yet magnificently eloquent, and the artistry is a perfect complement. We love it!

The Jesus Storybook Bible is one of MY favorite books. It is simple, beautiful, and powerful. We read it with my five year old son every night, and he loves it as well! Our whole family has grown through reading the JSB! I weep most nights as I read the wonderful story of Good's relentless love and pursuit of His people. The curriculum is phenomenal too! There is no greater children's book than this.

This Bible is lovely!!! It tells a story of love and grace with beautiful art work and kid friendly humor. I am thoroughly enjoying it! I only wish it was bigger. I am reading it to a group of children and a larger size would be awesome!

So easy to implement. We use it with almost no prep with our small Sunday School. The Jesus Storybook Bible is itself a wonderful piece of work -- telling the true stories of the Bible with accuracy and in language kids will understand and will make adults consider the Scriptures differently. Sometimes I cry at the beautifully simple and clear, yet profound way Sally Lloyd Jones communicates the equally beautiful truths of Scripture. The companion curriculum kit has activities, review sheets, and well-chosen weekly verses that further support the stories. The audio for each story is only elevated by David Suchet's narration. His great British accent make listening easy, but he has wonderful expression that conveys each story's wonder. Most importantly, it helps children to understand how EVERY story in the Bible truly whispers the name of Jesus Christ. Very appropriate for younger readers/writers ages 5-10. Can be modified for younger and possibly older -- the activities are simple and easy to follow yet adaptable to your needs or the children's levels. As a Sunday School Superintendent I have tried and rejected several curricula for overkill but this system gives plenty of help to teach the truth without overwhelming a teacher. Added later: Even children who have this book at home are drawn in to the lesson plans. I had a child disappointed we couldn't do the next story. This curriculum is useful with little to no prep.

I was disappointed with what these actually were. The Storybook Bible is FABULOUS so I hope

these would be useful. Each handout is full color and has about 3 questions on it dealing with the story. Nothing that small child (who I feel is the target of the Jesus Storybook Bible) would get anything from. :(I don't think i'll be able to use them at all.

These are very attractive, full-color pages, but a bit hard to use. The glossy coating on the paper make it hard to write on them with anything but felt-tip pens. Pencils won't show, and ink pens will smear. Useful, but not a necessity.
