English Essentials (Langan)

Synopsis

John Langan's English Essentials offers guidance through the grammar, punctuation, and usage skills needed for success in college and beyond. In short, English Essentials is an efficient, accessible, and helpful guide to mastering practical English skills. The book is divided into four parts -- Part One covers fifteen basic skills; Part Two offers more in-depth information about those and other skills; Part Three presents the essential skills of proofreading, and Part Four covers spelling improvement and dictionary use. This student-friendly organization and structure makes the book easy to navigate and a flexible guide. Each section provides essential instructions followed by ample activities to encourage learning in the best possible way: by doing.

John Langan has taught reading and writing at Atlantic Cape Community College near Atlantic City, New Jersey, for more than twenty-five years. The author of a popular series of college textbooks on both writing and reading, John enjoys the challenge of developing materials that teach skills in an especially clear and lively way. Before teaching, he earned advanced degrees in writing at Rutgers University and in reading at Rowan University. He also spent a year writing fiction that, he says, is now at the back of a drawer waiting to be discovered and acclaimed posthumously. While in school, he supported himself by working as a truck driver, a machinist, a battery assembler, a hospital attendant, and an apple packer. John now lives with his wife, Judith Nadell, near Philadelphia. In addition to his wife and Philly sports teams, his passions include reading and turning on nonreaders

to the pleasure and power of books. Through Townsend Press, his educational publishing company, he has developed the nonprofit Townsend Library, a collection of more than a hundred new and classic stories.

I bought this book because after reading the reviews it made me think it was going to be okay to buy it used. For the very first time this book only had a few markings in the inside, but it looked brand new when I received it. The last person who used it took very good care of it and I appreciate it a lot. Thanks . I also recommend this book to anyone who is taking this class or needs it. Very useful. Awesome Book,

Just finished this book. I tested right into English 101 after being out of high school for to many years. So much has changed. This book is very user friendly. Most information for each chapter on one or two pages with exercises. You can do as many practice exercises as you want. Then there are test in each chapter. I took this as a support course (2 cr) Now I feel very confident with grammar punctuation....My instructor provided the answers for the book they did not come with the book. However I really did not use them. This book is a very easy read.

Arrived when expected. Was used by my son for a class.

Almost new condition and the price unbeatable!

It would have five stars if it had the answer key, but it doesn't. Otherwise, it's a nice little workbook. I think that without an instructor to provide the correct answers, though, a reader might struggle with it.

I love this book, I like the way the samples are presented before each lesson this allowed my student to complete homework assignments on their own.

great condition and price

perfect condition
