John Tyson has been a freelance photographer and writer since 1996. His B.S. degree has prepared him for a career in the fields of education and ecology and field biology. John's lifelong love of nature is evidenced by his work for many national magazines, calendars, and book publishers. John has been hiking in North America for more than twenty-five years and enjoys biking, canoeing, kayaking, and birding. He resides in Eagle River, Alaska, where he makes his home in the Chugach Mountains with his wife Madelyn.

Just what I needed - brief and packed with pertinent information for a couple of us in Anchorage for a few days.

We are going to Alaska this summer and this book is perfect for our desire to hike and enjoy the beauty of Alaska. Will be better able to evaluate after our trip.

An easy to use book with directions, maps, and helpful hints. I like that it labels the hikes. I used this book a lot!

16 hikes for \$10. 2-3 of the hikes are less than half mile long. The ratings also seem off, they rated Flattop as harder than Baldy Mountain, (I didn't have to pause up Flattop, but Baldy nearly killed me!) There are some good hiking ideas, it's nice to know if there are parking fees so you can have cash when you drive out, but you will get much more bang for your buck from another book.
