Restoration And Romance

Synopsis

Welcome to a Place Where Love Abides Experience the splendor of love with four sweet romances—each one the story of hearts and homes renewed—authored by some of the leading names in Christian romance fiction.

“THE QUEEN OF THE WORLD AND THE HANDYMAN” by Barbara Jean Hicks (An Unlikely Prince, All That Glitters, Loves Me, Loves Me Not) Incensed by town gossip about Gran-Marie and her hired hand, Chloe Burnett determines to protect her grandmother’s reputation at all costs, even if it means posing as the cocky handyman’s fiancée! But a near-tragedy reveals that nothing is as it seems to be—including the pretend engagement that no longer feels pretend.

“BESIDE THE STILL WATERS” by Barbara A. Curtis Interior designer K.C. McKenzie wants to restore her late husband’s family farmhouse, as well as her memories. But the new owner, Chicago architect Raleigh Kincaid, refuses to sell. When he enters a restoration contest, however, Raleigh finds that he needs K.C. in more ways than one.

“HOME FOR THE HEART” by Shari MacDonald (Love On the Run, A Match Made in Heaven, The Perfect Wife) When spunky TV host Flynn Kelley inherits half of a historic Maryland estate, she squares off against a maddening and endearing figure from her troubled youth. Working together, can she and Charlie Kenilworth renovate the crumbling estate and their wounded hearts?

“DON’T LOOK BACK” by Jane Orcutt (The Living Stone, The Fugitive Heart, The Hidden Heart) One year after a divorce she didn’t want, Laurie Golden has moved her children to small-town North Texas, hoping to restore what’s left of her family and the family home. But skeletons in her family’s closet reveal that history is sometimes best left in the past, and that the future is an open book in which life and love can be written. Customer Reviews

Barbara Jean Hick's return to Pilchuck was perfect. And the reason I bought the book. The other three stories were typical, lite reads with few problems and too swift conclusion due to the constraints of a short story.

This was just what I was looking for. These are well-written heartwarming stories. I enjoyed every one of them and will be looking for more from these great authors.

these stories, though filled with period house restoration details and great sense of place, spend more time talking about the physique of the characters and sexual tension involved as they stare at each others abs, lips, legs, etc. I would like to know where Christian authors read in their Bibles that lusting is okay-actually encouraging their audience to do so, as well as judge by appearances. Its hard enough living in the world today without getting it from these Christian authors, too.

These four stories, each centered around an old house, are truly heartwarming. If you are feeling down, these great stories will definitely "restore" you too.
