Teaching Children Bible Basics: 34 Lessons For Helping Children Learn To Use The Bible

Synopsis

Teaching Children Bible Basics is a book of 34 Old and New Testament lessons that helps children ages 8–10 learn how to use the Bible. The lessons and activities are designed to teach children how the Bible came to be, how to use this important book, about the Torah, and about the important stories of the Hebrew and Christian Testaments. Key Features:

- Features 16 Old Testament and 20 New Testament lessons; Provides 30- to 45-minute experiential lessons that teach children how to use the Bible;
- Each lesson accommodates the needs of various learning styles;
- Each lesson highlights a specific desired result (for example, students will discover and retell the creation story day by day);
- Each lesson includes a lesson focus, a Scripture text, a section listing materials needed, various learning activities, discussion questions related to the Bible topics being “discovered,” and a closing prayer.

Key Benefits:

- Teachers will be enabled to teach children aged 8–10 basic Bible skills through interactive Bible lessons that stimulate creativity and critical thinking;
- Teachers will find practical help and guidance in how children can gain a working knowledge of the structure of the Bible, the organization of the books of the Bible, and the significance of the Bible to Christians;
- Can be used with any Bible translation.

We use this book for the children's church program. All of the lessons are short and simple! It's perfect for children ages 4 through 11. Lots of great material to work with. It really takes you back to the basics!

Great Book! Hits all the major basics!

My only problem is that I thought I was ordering the entire book but I got the mini version. Bummer! Looks like I have to go back & order the hard copy.

all good

This was a great book to help the students along.

I am using this book to set up a Sunday school program in a small church. It's working very well.

The lessons are interesting, useful, fun, and don't involve a lot of preparation or materials.

I was looking for an introduction study of the Bible for Sunday School. Our classes are not very big and this material could easily be adapted for large or small.
