The Highlander's Stolen Heart (Macinnes Sisters Trilogy Book 1)

Synopsis

From USA Today Bestselling author Donna Fletcher comes the first book in the Macinnes Sisters trilogy. The three Macinnes sisters are well-known throughout the Highlands. Heather, the eldest, is known for her beauty and kindness. Patience, the middle sister, while attractive is known for her warrior skills. Emma, the youngest is plain-featured, her passion is knowledge. There is nothing the sisters will not do for each other and their love and loyalty is tested when Heather is abducted. Emma must ride alone through a rainstorm to reach the MacClennan keep and fetch the mighty warrior Rogan MacClennan, Heather's intended. Nothing must delay her. Her sister's life depends on it. Emma is not only shocked by the warrior's handsome features, but by his refusal to leave immediately once he learns that Heather has been abducted. His excuse is the raging storm, but Emma will not bow to the mighty warrior's dictates. She sneaks off to return to the injured Macinnes warriors and to search for Heather. Rogan MacClennan cannot believe the audacity of the youngest Macinnes sister to call him a coward, and then sneak off in nothing more than her nightdress. When he gets his hands on her, he intends to see her sent home to her father. Then he will rescue his intended without any interference from Emma. Thrown together, the unlikely pair must face more trials and tribulations than they ever imagined possible. They also must face something both are trying desperately to ignore and deny... that they are falling in love. Emma cannot betray her sister and Rogan must do his duty to his clan. They have no future together... or do they?

Customer Reviews

Not a story I can relate to. Don't believe warriors can appear and disappear as if they are mythical beings. Parts of the story did mirror another book, but not that closely. I liked the premise of the close bond these sisters have. I didn't feel that connected to these characters. Rogan fell for Emma far too quickly. He requested Heather to be his bride because she's the pretty one? Then within days of meeting plain Emma he's attracted to her. Emma was a willful I will never listen to you type. Rogan's suppose to be a great warrior, but Emma sneaks out of bed repeatedly and he's unaware she's gone? There was a lot more sex than substance to this one. It doesn't really end it leaves you waiting for book 2 which will leave you waiting for book 3. I don't like books like that.

Honestly two stars is being nice in my thoughts. While the author has written what could have been a fantastic story, she degraded it by not doing any research on the history of Scotland in 1432. Not just no history fact checking, but she also uses modern language. Was Mrs. Flechter being lazy, or did she not care? Shoes: In 1432 Highlanders weren't wearing real shoes, boots, or sandals--SIDE NOTE: This right here is what really upset me. SANDALS?!?! In Scotland? Has she even visited Scotland in the winter?!?!---Highlanders normally wore a cow hide shoe. They would wrap the hide around their foot. Poke hole to "lace" it up and cut off the extra. They were then forced to poke holes in the bottom so the extra water would drain out. Fashion: While Mrs. Lazybu--- I mean Mrs. Flechter didn't go into great detail about the clothes. She brilliantly got it wrong (SO Surprising) She described Emma as wearing a skirt and a top that tied at the side.....II just don't even know where to explain how wrong that is. That fashion she's talking about was more suited to the settlers of America after the 1700. Almost THREE HUNDRED YEARS after Emma's story. She also never mentions the clans brooch/ Pin. So Besides the fashions, use of modern language and being too lazy to study ANY history of that time period you may ask what else did the writer do wrong? She didn't care about sticking to her own story line. One minute The husband was upset with Emma for doing something and the next neither of them cared about it. (El Emma over worked herself at her

keep helping Darren? out of the Mill wheel. Husband said to take the next day off. and the next morning she started rushing around again. Emma wasn't even sorry) Or Darren (I don't remember his name) was suppose to tell Emma he was sorry in front of everyone but he didn't and said he would pass the word along. Really? Flether was trying to so us how over looked Emma is and her husband is going to be ok with that?ALSO the sex scenes were awful. Has she never written one before? The words and actions where not in the right time frame of history and they didn't add up!! just can't anymore. Save your money DONT buy this book.

This book reminded me of Isle of Lies a lot. The sisters = plain smart one (shes even taught by a monk) the spunky cute one and the beautiful kind one very much remind me of the three main women from Isle of Lies. Rogan the handsome 25 year old leader = Ian? The plot is okay and I do want to know more about the Dark Dragon but I feel the characters are recycled. While Isle of Lies is one of my favorite books this one I would have to give a 2.5. With that said I am looking forward to reading the Dark Dragons book out 2015 and Donna's upcoming viking searies.

This was a great Highland Romance. Rogan MacClennan is a fierce and mighty Highlander warrior who is betrothed to marry the oldest and prettiest of the Macinnes sisters, Heather. When she is kidnapped he finds himself in the company of her younger and much plainer sister Emma, a sister who at one time had been offered to him as a bride and he had refused. They both find them selves thrown together in a quest to find and rescue Heather. The story really becomes interesting then as Rogan realizes he made a big mistake by refusing Emma, and the chemistry and love between them both really shines. I liked Rogan very much, for a fierce warrior he did have a softer side. Emma was very feisty, loyal and strong, I'd want her on my side, she was great.I enjoyed this first book in the Macinnes Sisters Trilogy very much and can not wait to read Patience's story next, and I hope their is more about the Dark Dragon in the future.

The character, Emma, is priceless! Hers is a wonderful story, woven like a tapestry. Scotland, romance, clashing personalities and intriguing plot twists. I very much enjoyed this story and am very thankful I have the next two books in the series that I will be able to read, one right after the other. Stubborn, hardheaded and opinionated, the characters are mixed with a touch of honesty, loyalty, and love. I would easily recommend to my friends, but I would also let them know that they would want to be able to buy or borrow books 2 & 3.
